

## EXTRATERRITORIAL ZONING COMMITTEE POSSIBLE FUTURE MEETINGS OUTLINE

All meetings to address regular business, followed by updates and new information, followed by the items listed below, which regard development of the ETZ ordinance. Definitions should be an ongoing concern.

If a topic is not completed by the end of \_\_\_\_ minutes, should it be referred for further discussion at the next meeting?

Meeting #1	Organizational
Meeting #2	Section 1 - Purpose & General Provisions Section 2 - Description of Area
Meeting #3	Section 3 - Zoning Districts - Identify what <u>types of zoning are desired</u> within the entire ETZ boundary based on current land uses. Label and define each use, including specifics as to what would be allowed/not allowed. Also identify regulations, if desired, on the following items in each district: dimensional standards, substandard lots, landscaping, screening, fencing, exterior lighting, keeping of animals, etc.
Meeting #4-18	Section 3 - Zoning Districts - Using the districts identified in the previous step, identify <u>what types of zoning you wish to apply</u> to specific areas within the ETZ boundary. Create a map indicating the various zoning districts.
Meeting #19-20	Section 4 - Conditional Uses - Identify any conditional uses and in what zoning districts they will be allowed, such as mineral extraction operations, junk or salvage yards, etc.
Meeting #21	Section 5 - Design & Performance Standards Section 6 - Non-Conforming Buildings, Structures & Uses
<b><i>Possibly.....</i></b>	Recommend Village extend interim zoning ordinance for 1 year, if necessary
Meeting #22-23	Section 7 - Zoning Overlays - Shoreland/Wetland & Wellhead Protection Section 8 - Violations & Enforcement Section 9 - Administration - Amendments, Variances, Administrative Appeals Section 10 - Definitions
Meeting #24	Review of final draft/corrections Schedule date/time/location for public hearing
